

NEW YORK STATE OLYMPIC REGIONAL DEVELOPMENT AUTHORITY

BACKGROUND CHECK POLICY

Effective June 26, 2026

I. PURPOSE AND SCOPE

In making employment decisions, the Olympic Regional Development Authority (“Olympic Authority”) is committed to the highest standards for its employees, and to complying with all applicable Federal and State statutes and regulations as well as other applicable requirements. Accordingly, applicants for employment in specified positions with the Olympic Authority will be subject to a background check in accordance with the terms of this Policy. The information collected through a background check is necessary to determine the overall fitness of an applicant for employment, to ensure the promotion of a safe work environment for other Olympic Authority employees, to ensure the protection of Olympic Authority assets and information, and to ensure the safety of the visiting public and the many athletes who utilize Olympic Authority venues for training and competition.

In addition, due in part to certain insurance requirements applicable to the Olympic Authority, and due in part to the requirements of the Safe Sport Authorization Act (Protecting Young Victims from Sexual Abuse and Safe Sport Authorization Act of 2017, 36 U.S.C. § 22051) and the Olympic Authority’s relationship with the United States Olympic and Paralympic Committee (“USOPC”), for those Olympic Authority staff who are employed in specific titles defined herein, there will be a requirement for ongoing background checks during the terms of their employment. Information derived from these ongoing background check requirements will be used by the Olympic Authority to determine the continued fitness of those employees for the duties of the titles they hold.

The Olympic Authority will conduct all employment background checks in accordance with the terms of this Policy. The Olympic Authority’s use of the information gained through a background check will at all times comply with New York State’s Fair Credit Reporting Act (General Business Law § 380), the Federal Fair Credit Reporting Act (15 U.S.C. § 1681), and all other applicable laws, statutes, rules and regulations including, but not limited to, New York State Correction Law Article 23-a. Should any provision of this Policy conflict with any applicable law or regulation, that provision will be considered void and all other provisions of this Policy shall remain in full force and effect.

II. ACRONYMS AND DEFINITIONS

a. **Article 23-a** – shall mean the New York State Correction Law Article 23-a, which prohibits an employer from unfairly discriminating against a person previously convicted of one or more criminal offenses.

b. **Athlete(s)** – shall mean those Team USA athletes, as that term is defined in the current Olympic Authority-USOPC contract, using an Olympic Authority facility in connection with training or competition. The term “Athlete(s)” does not extend to members of the general public using an Olympic

Authority facility, or to clubs or organizations that may enter into third-party agreements with the Olympic Authority for the use of an Olympic Authority facility.

c. **Candidate** – shall mean any person who has applied for or is being considered for a full-time, part-time, or temporary/seasonal position, including those positions identified in Categories 1, 2, or 3 herein. This definition also includes any current Olympic Authority employee holding positions and/or titles identified in Category 2 or Category 3, who are subject to ongoing background checks.

d. **Covered Position** – shall mean any position and/or title identified in Categories 1, 2 and 3.

e. **FCRA** – shall mean the Fair Credit Reporting Act (15 U.S.C. § 1681), a U.S. Federal Government statute enacted to promote the accuracy, fairness, and privacy of consumer information contained in the files of the consumer reporting agencies.

f. **Negative Information** – shall mean a conviction for criminal conduct, a negative credit history, and/or a SafeSport disciplinary record, the nature of which has a direct bearing on a Candidate's fitness or ability to perform one or more of the duties or responsibilities necessarily related to a Covered Position, or information about a Candidate that would involve an unreasonable risk to property or to the safety or welfare of Olympic Authority employees or volunteers, or to the general public.

g. **Olympic Authority** – shall mean the Olympic Regional Development Authority or authorized representative of the Olympic Regional Development Authority.

h. **Report** – shall mean the results of a background check provided to the Olympic Authority by a TPA.

i. **SafeSport** – shall mean the Safe Sport Authorization Act. The U.S. Congress has designated the U.S. Center for SafeSport (the "Center") with the authority to respond to reports of sexual misconduct within the U.S. Olympic and Paralympic Movement by passing the Protecting Young Victims from Sexual Abuse and Safe Sport Authorization Act of 2017. This legislation designates the Center as the independent national safe sport organization, with the additional responsibility for the Center to develop national policies and procedures to prevent the emotional, physical, and sexual abuse of amateur athletes. Through this legislation, the Center has the exclusive authority to respond to allegations of sexual abuse and sexual misconduct within the U.S. Olympic and Paralympic Movement. It also allows the Center to have discretionary jurisdiction on a case-by-case basis over any other forms of misconduct, including bullying, harassment, and physical and emotional abuse. The Olympic Authority is not under the jurisdiction of the Center. However, as a USOPC Training Center, the Olympic Authority is committed to the purpose and intent of SafeSport and consistent with its Agreement with the USOPC, the Olympic Authority will implement the requirements of SafeSport to the extent that such requirements do not conflict with New York State law.

j. **TPA** – shall mean Third-Party Administrator.

k. **USOPC** – shall mean the United States Olympic and Paralympic Committee.

b. All job postings for a Covered Position shall include the following statement:

All offers of employment for this position will be contingent upon the results of a successfully completed background check. c. All offers of employment and/or promotions into a Covered Position shall include the following statement:

This offer of employment is contingent upon the satisfactory completion of a background check. You will have ten (10) business days from the date of your receipt of the Pre-Adverse Action Notice to dispute the information contained in the background report by contacting the Third-Party Administrator and

Should you fail to provide a response within ten (10) business days from the date of receipt of the Pre-Adverse Action Notice, or to contact the Olympic Authority within that time frame with a request for an extension of time to respond, the Olympic Authority will inform you that your name has been withdrawn from consideration for employment. Any such action is within the Olympic Authority's sole discretion and you shall have no right to appeal or challenge such action by the Olympic Authority.

e. Prior to conducting a background check, a Candidate will be provided with an Authorization & Disclosure Form informing the Candidate that the Olympic Authority will be requesting a Report from the TPA, the name and contacting information of the TPA, the types of information that will be provided in the Report, and the Candidate's rights to request additional information regarding the nature and scope of the Report. A Candidate must fully and accurately provide all information necessary for the TPA to complete the background check. A Candidate for a new Covered Position or promotion into a Covered Position shall not begin work in that position prior to the satisfactory completion of the required background check, and the receipt of final approval from the Office of Human Resources. If a Candidate refuses to authorize a background check, or the TPA is unable to obtain written authorization within seven (7) business days of the date of a written request for authorization, the Candidate shall be deemed to have withdrawn their name from consideration.

g. Any Adverse Action will be evaluated in accordance with Section 5.5 herein.

5.2 Process for Ongoing Background Checks

a. For any Candidates who holds a Covered Position that is subject to ongoing and/or supplemental background checks at the time when such background check is due, the Office of Human Resources will provide written notification to the Candidate and to the Olympic Authority Department head and/or Venue management, as applicable. It will be the responsibility of both the Candidate and the Department Head or Venue Management, as applicable, to assure that the Candidate completes and submits the Authorization & Consent Form in a timely manner. If a Candidate refuses to authorize a background check, or the TPA is unable to obtain written authorization within seven (7) business days of the date of a written request for authorization, the

Candidate shall be deemed to have withdrawn their name from consideration and the Olympic Authority will take action, in its sole discretion, to remove the Candidate from the Covered Position, whether by termination or by changing their job responsibilities.

5.4 **Authorized Third Party Administrator**

The Olympic Authority, in its sole discretion, will select a USOPC authorized TPA that will act as a full-service screening organization working in accordance with the recommended guidelines established by the USOPC, the terms and conditions of this Policy, and all applicable State and Federal laws.

5.5 Adverse Action

In accordance with Section 603 of the FCRA, the term “Adverse Action” includes all employment actions affecting a Candidate that can be considered to have a “negative impact” as that term is defined under Section 603 (k) of the FCRA. For the purposes of this Policy, a negative impact will mean the withdrawal of an offer of employment, the denial of a promotion, or a determination to terminate employment or to change an Olympic Authority employee’s job position or responsibilities, as the result of a background check that yields Negative Information.

For any Adverse Action that is taken based at least in part based on Negative Information contained in a Report, in accordance with Section 615 (a) of the FCRA, the Candidate will be notified by the Office of Human Resources in writing. Any such notification will be provided utilizing the process set forth below:

a. Evaluation of Background Check Results

1. In accordance with Article 23-a, the Olympic Authority will not deny or terminate employment on the basis of prior criminal convictions, except under the following circumstances:

- i. A direct relationship between some or all of any previous criminal offense(s) and the specific job or position the Candidate is seeking or holds;
- ii. When hiring or continuing to employ the individual would present an unreasonable risk to the Olympic Authority’s property, specific individuals, or the general public.

2. Where an Adverse Action is contemplated due to the disclosure of a criminal conviction, negative credit report, and/or SafeSport disciplinary record, the Olympic Authority will consider:

- i. That the public policy of this State, as expressed in Article 23-a, is to encourage the licensure and employment of persons previously convicted of one or more criminal offenses;
- ii. The specific duties and responsibilities necessarily related to the license or employment sought or held by the person; the bearing, if any, that any criminal offense(s) for which the person was previously convicted will have on their fitness or ability to perform one or more such duties or responsibilities; the time that has elapsed since the occurrence of any criminal offense(s); the age of the person at the time of occurrence of any criminal offense(s); the seriousness of any criminal offense(s); any information produced by the person, or produced on their behalf, in regard to their rehabilitation and good conduct; the Olympic Authority’s legitimate

interest in protecting property, and the safety and welfare of specific individuals, the Olympic Authority's employees and volunteers, or the general public.

3. Should the Office of Human Resources determine that any Negative Information contained in a Report reflects that hiring or promoting a Candidate could negatively impact the Olympic Authority's interests, the Office of Human Resources will promptly notify the Department head or Venue management for to whom the Candidate has applied for a Covered Position or for whom the Candidate is currently working in a Covered Position, and the Olympic Authority's Office of General Counsel, whereby a determination will be made as to whether an Adverse Action is warranted.

4. Should the background check yield a Report that contains no Negative Information, the Candidate will be so notified in writing by the Office of Human Resources (see Exhibit A attached hereto).

b. Pre-Adverse Action Notice

1. If an Adverse Action is contemplated, the Office of Human Resources will issue by certified mail, return receipt requested, a written Pre-Adverse Action Notice (attached as Exhibit A) to the Candidate along with: (1) a copy of the Report; (2) contact information for the TPA including name, address, and telephone number; and (3) the "Summary of Rights under the Fair Credit Reporting Act" (attached as Exhibit B hereto).

2. The Candidate will be given ten (10) business days from the date of receipt of the Pre-Adverse Action Notice to dispute any information contained in the Report that led to the negative determination, by contacting the TPA and providing correct information regarding their criminal history, credit history, and/or SafeSport disciplinary record, including evidence that they did not commit the offense (e.g., in the case of misidentification), evidence of rehabilitation or character, the length of time since the last criminal conviction, other factors relevant to the negative determination, and other extenuating circumstances including but not limited to disparate legal and enforcement practices. Extensions may be provided to the Candidate at the sole discretion of the Olympic Authority. Should a Candidate fail to either provide a response within ten (10) business days of the date of receipt of the Pre-Adverse Action Notice, or to request an extension of time to respond, the Olympic Authority shall inform the Candidate that their name has been withdrawn from consideration and/or take action to remove the Candidate from the Covered Position, whether by termination or by changing their job responsibilities. Any such action is within the Olympic Authority's sole discretion and the Candidate shall have no right to appeal or challenge such action by the Olympic Authority.

3. Upon receipt of any corrected Report, the Office of Human Resources, the Olympic Authority's Office of General Counsel, and either the Department head or Venue management, as applicable, will discuss the information contained in the Report and make a determination in accordance with Article 23-a and other applicable laws, including FCRA and SafeSport. Said determination will be made within five (5) business days from the date the Office of Human Resources receives the corrected Report from the TPA. Any such action is within the Olympic Authority's sole discretion and the Candidate shall have no right to appeal or challenge such action by the Olympic Authority.

4. The result of the Olympic Authority's review of any corrected Report will be communicated in writing to the Candidate by the Office of Human Resources.

c. **Adverse Action Notice**

If the Olympic Authority determines to take Adverse Action based in whole or in part on information contained in the Report, the Office of Human Resources will issue by certified mail, return receipt requested, a written Adverse Action Notice to the Candidate that includes: (1) a description of the Adverse Action being taken (e.g., rejection of the application) and that the action has been taken based in whole or in part on information contained in the Report; (2) a statement that the TPA did not make the decision to take Adverse Action and is unable to provide the reason for such decision; and (3) the rights of the Candidate to obtain a free copy of the Report from the TPA and to dispute information contained in the Report with the TPA. Any such action is within the Olympic Authority's sole discretion and the Candidate shall have no right to appeal or challenge such action by the Olympic Authority.

5.6 Protection of Personal Information

In accordance with the requirements of Public Officers Law § 87 (2), Public Officers Law §§ 91-99, and the FCRA, all information collected through the background check process will be used solely for employment considerations and will be kept strictly confidential and protected against unauthorized access, use, and disclosure.

5.7 Record-Keeping

- a. The Report will be maintained by the Office of Human Resources and kept for a period of four (4) years from the date the Report was completed.
- b. At the expiration of the four (4) years, the Report will be deleted from the Office of Human Resources database/information system and all paper copies, if any, will be destroyed.

VI. VIOLATIONS

Violations of this Policy by a Candidate, including the provision of false or fraudulent information, will result in disciplinary action up to and including termination. Any violation may also be subject to prosecution under applicable federal, state or local law.

A Summary of Your Rights Under the Fair Credit Reporting Act

The federal Fair Credit Reporting Act (FCRA) promotes the accuracy, fairness, and privacy of information in the files of consumer reporting agencies. There are many types of consumer reporting agencies, including credit bureaus and specialty agencies (such as agencies that sell information about check writing histories, medical records, and rental history records). Here is a summary of your major rights under FCRA. **For more information, including information about additional rights, go to www.consumerfinance.gov/learnmore or write to: Consumer Financial Protection Bureau, 1700 G Street N.W., Washington, DC 20552.**

- You must be told if information in your file has been used against you. Anyone who uses a credit report or another type of consumer report to deny your application for credit, insurance, or employment – or to take another adverse action against you – must tell you, and must give you the name, address, and phone number of the agency that provided the information.
- You have the right to know what is in your file. You may request and obtain all the information about you in the files of a consumer reporting agency (your “file disclosure”). You will be required to provide proper identification, which may include your Social Security number. In many cases, the disclosure will be free. You are entitled to a free file disclosure if:
 - a person has taken adverse action against you because of information in your credit report;
 - you are the victim of identity theft and place a fraud alert in your file;
 - your file contains inaccurate information as a result of fraud;
 - you are on public assistance;
 - you are unemployed but expect to apply for employment within 60 days.

In addition, all consumers are entitled to one free disclosure every 12 months upon request from each nationwide credit bureau and from nationwide specialty consumer reporting agencies. See www.consumerfinance.gov/learnmore for additional information.

- You have the right to ask for a credit score. Credit scores are numerical summaries of your credit-worthiness based on information from credit bureaus. You may request a credit score from consumer reporting agencies that create scores or distribute scores used in residential real property loans, but you will have to pay for it. In some mortgage transactions, you will receive credit score information for free from the mortgage lender.
- You have the right to dispute incomplete or inaccurate information. If you identify information in your file that is incomplete or inaccurate, and report it to the consumer reporting agency, the agency must investigate unless your dispute is frivolous. See www.consumerfinance.gov/learnmore for an explanation of dispute procedures.

- Consumer reporting agencies must correct or delete inaccurate, incomplete, or unverifiable information. Inaccurate, incomplete, or unverifiable information must be removed or corrected, usually within 30 days. However, a consumer reporting agency may continue to report information it has verified as accurate.
- Consumer reporting agencies may not report outdated negative information. In most cases, a consumer reporting agency may not report negative information that is more than seven years old, or bankruptcies that are more than 10 years old.
- Access to your file is limited. A consumer reporting agency may provide information about you only to people with a valid need – usually to consider an application with a creditor, insurer, employer, landlord, or other business. The FCRA specifies those with a valid need for access.
- You must give your consent for reports to be provided to employers. A consumer reporting agency may not give out information about you to your employer, or a potential employer, without your written consent given to the employer. Written consent generally is not required in the trucking industry. For more information, go to www.consumerfinance.gov/learnmore.
- You may limit “prescreened” offers of credit and insurance you get based on information in your credit report. Unsolicited “prescreened” offers for credit and insurance must include a toll-free phone number you can call if you choose to remove your name and address from the lists these offers are based on. You may opt out with the nationwide credit bureaus at 1-888-5-OPTOUT (1888-567-8688).
- The following FCRA right applies with respect to nationwide consumer reporting agencies:

CONSUMERS HAVE THE RIGHT TO OBTAIN A SECURITY FREEZE

- You have a right to place a “security freeze” on your credit report, which will prohibit a consumer reporting agency from releasing information in your credit report without your express authorization. The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a security freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit.
- As an alternative to a security freeze, you have the right to place an initial or extended fraud alert on your credit file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert display on a consumer’s credit file, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting 7 years.
- A security freeze does not apply to a person or entity, or its affiliates, or collection agencies acting on behalf of the person or entity, with which you have an existing account that requests information in your credit report for the purposes of reviewing or collecting the account.
